Leavers

As many of you will already be aware, Mrs Cordingley will be leaving us after many years of service to the school. Her last day will be 19th December. I am sure you will join me in wishing her all the very best in her retirement.

Breakfast Club

Our breakfast club offer is a bookable service only. Children are not able to turn up on the day without pre-booking and it being paid for. Should children arrive without this, they will be turned away. Once booked, please ensure that all sessions are paid in advance via ParentPay. Should arrears build, your child will not be able to attend until the arrears are cleared.

Respect

One of our core values is respect, we work hard to support you all to instil this in our children. A polite reminder of the need for all members of the community to be respectful to one another, especially when communication on seesaw. It would be a shame if some people had to be removed from seesaw due to the messages being sent. Please refer to previous seesaw communication sent on 29.11.24 regarding the expected conduct.

Pupil Shout Out

To all of those amazing children who have represented the school in various sporting events over this term. We have had a wonderful dance show, super cross-country event and a dodge ball competition. The children did us proud, as ever, with their impeccable manners and sportsmanship.

Staff Shout Out

The Nursery Team! They have worked hard this term to settle all of our new children into school life. We wish you were here on site with us, so that we got to see you all more! Thank you for all that you do.

Kindest regards,
Miss Kearsley.

Parent/Carers Guide to Bullying

Children fall out. Children sometimes make the wrong choice. Children get frustrated with one another... as we sometimes do as adults! 😊

Is this always bullying? Or is this sometimes children still learning, needing support and making the wrong choices?

We have had an increase in the words 'being bullied' or 'bullying' but on investigation, it is not. We will be working on this understanding with the children.

We teach the children the acronym STOP and this is a good tool to use with your child to explore the situation and help us put the right steps into place.
